Subject: FW: More information on Control and Treatment of Blooms posted to California Harmful Algal Blooms (HABs) Portal Webpage

California Water Quality Monitoring Council

The [CA HABs Portal](#) website now includes a greatly expanded section on Control and Treatment of Blooms. Go to right side of webpage, Resources, scroll down to "Control and Treatment of Blooms." At the top of this page, select first bullet: Mitigation Subcommittee - Resources for Mitigating HABs. Direct link → https://mywaterquality.ca.gov/habs/resources/mitigating_habs.html

The mitigation subcommittee of the California Cyanobacteria and Harmful Algal Blooms (CCHAB) Network is pleased to bring you this webpage. We plan to update it periodically.

If you have any questions or concerns, please do not hesitate to contact either of the mitigation subcommittee co-chairs [Carrie Austin](#) or [Ali Dunn](#) or any of the CCHAB Network Co-Chairs who all serve on this committee [Dave Caron](#), [Becky Stanton](#), and [Sarah Ryan](#).

Thank you!
